Flight to Freedom

A German family escaped from East Germany on Christmas night in a reinforced bus. It was a remarkable way to freedom, and we have chosen it as our New Year's symbol for all the world, which we hope will have real freedom in 1963.

A Very Happy 1963 to All of You !

Our sincere thanks to all our advertisers, who made it possible for us to publish the St. Albert Gazette.

We wish all of you a pleasant and prosperous business in the coming year.

Our best wishes and thanks to all our readers, who gave us the stimulation to publish the St. Albert Gazette. We hope that with your continual moral backing we will be able to increase the quality and quantity of our paper in 1963.

OPEN HOUSE

TOWN HALL

On Sunday, January 6th, the Town held their New Year's reception at the Town Hall for all the citizens of St. Albert. Those who attended had a pleasant time and an excellent opportunity to exchange New Year's greetings with the Mayor, Councillors and their wives. The Legion Auxiliary provided the traditional coffee and appetizers.

RECREATION INTEREST SURVEY

The St. Albert Family Recreation Interest Survey has given us a reliable, realistic and very interesting idea regarding the feelings in our town in the recreational field. (Complete survey report on Page 3). It shows that around 33% of our citizens are in favour of cultural recreational activities (arts and crafts, drama, music, social hobbies), while 67% expressed their interest in the physical recreational field (sports, dances etc). This symptom of more sports minded people is understandable, because the very long winters in our province give all of us a strong desire to enjoy, as much as possible, outside summer sports under the health bringing sunbeams. We are really surprised that 33% of our citizens like to use their leisure time in the cultural field. This is a remarkable figure, because in so many cities and towns all over the world, the percentage is often much lower. 1962 has shown that more and more citizens are organizing themselves in some kind of cultural activity. Arts and crafts, music and drama, social hobbies had a real good 1962 in St. Albert. We hope that these cultural clubs and organizations will give us many enjoyable evenings in 1963.

It is worthwhile to analyse the numbers of the different age groups participating in this survey. More than 60% of the total votes came from the adult group, which is not only gratifying, but it is also the group where the money of any recreation program (taxes) has to come from. We were a little bit disappointed that only 14% of our teenagers were interested in this survey. So many times we have heard them complain that there is so little organized recreation in this town, this survey was their chance to show their interest. We realize that teenagers like to spend a lot of their leisure time together as boys and girls, which is very normal. But it shouldn't slacken their interest in a healthy and good use of their leisure time, enjoying and concentrating themselves in the development of a sharp mind and a clean body. Here lies an enormous task for our St. Albert parents who continuously, with tact and love, should convince their teenagers that life of a human being doesn't get much profit out of this "dating period". 26% of our youngsters from 6 to 12 years had an interest in this survey, which will guarantee us that these youngsters are keen to take part in a good use of leisure time. Around 78% of our total town population took part in this survey. Our council has in this survey report an excellent indication regarding the recreational interest of the majority of the St. Albert citizens. May this survey be a stimulant for our council to take the next step by appointing a permanent recreation board and a full time recreation director.

RECREATION BOARD

We hope that in the near future, St. Albert will have a recreation board, which will be the first great step towards organized recreation in our town. Members of such a recreation board should be volunteer citizens who have proven in the past not only to have a keen interest in the recreational activities, but who have also taken an active part in the organization and leadership of the many not yet fully organized recreational activities in our town. Those men and women are the pillars whereupon a recreation board should be founded. There should not be any misunderstanding regarding the authority of such a board. A recreation board is, in the first place, an advisory board, to the Recreation Director; to the Town Manager, and the Town Council. The Board should not have any say in spending of public funds, because such authority has proven to be the basis for many troubles, and even disasters, in other places in the past. It is the Council only, who decides how much public money will be spent, after having received the proposals of the Town Manager and the Recreation Director, who were advised by the Recreation Board. Such a job distribution will assure smooth working, organized recreation in our town.

"AND NOW THE MONEY"

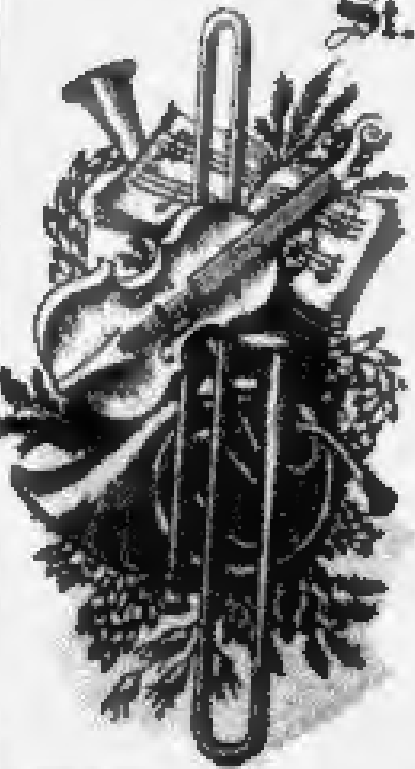

Our council knows, after the recreation survey, pretty well what kind of activities you and your children are interested in. But the survey didn't indicate if the adults are willing to pay for it. We regret that a little corner on the questionnaire wasn't left open for this most important question, "Are you will-

ing to have an increase on your taxes to ensure the council the necessary funds to realize the appointment of a full time recreation director, to supply recreational equipment, and to build, repair, or develop recreational facilities?" We hope that our citizens who took part in this survey will consider that all of us have to sacrifice for a good organized recreation in St. Albert. A town or city without organized recreation is a breeding place for little and big crimes. A town or city with a well organized and planned recreation is a strong prevention against bad use of leisure time. And also, a town without organized recreation will never have a chance to get the so-necessary industry which will help us to bring our taxes as low as possible.

THANK YOU HIGH SCHOOL STUDENTS!

During the season, many of us have enjoyed the singing of the old, but always new, Christmas carols. Those songs do so much to lighten the long dark days before Christmas. We were very pleasantly surprised, when during one of those dark days, the Christmas carols were sung by a group of St. Albert High School students, who went around town singing the carols from house to house. This was really a wonderful idea of these students, who brought to many St. Albert families, extra light and happiness during the holidays. We are proud to have these High School students in our town, as they prove that our young people also recognise and respect the tremendous value of the great joy and thankfulness at the end of the year.

WRONG INFORMATION

The Edmonton Journal reported last week that the Protestant School Board had applied for a change in status, from Protestant Separate School Board to Public School Board. Upon inquiring, we received the following statement from the Protestant Separate School Board, "The Board of Trustees has never considered the question of applying for change of status. The Journal was completely wrong with this information."

NEW YEARS

EVE FROLIC

About 150 revellers brought in the New Year in the gay atmosphere at the New Year's Eve Frolic in the Community Hall. The hall was decorated in a Paris sidewalk theme, complete with trees. A sumptuous turkey banquet was enjoyed after 1963 was properly ushered in to the strains of Auld Lang Syne, mixed with the racket of a couple of hundred noisemakers. Noted during the evening were some energetic twisters and polka dancers, a convalescent ulcer patient taking things easy, lipstick smears not matching that worn by partners. Everyone had a very good time and are already making plans for next year.

CONCERT ST. ALBERT ORIOLES at the

YOUVILLE HOME

The St. Albert Orioles which were in the Community Hall on December 23, played to a rather disappointingly small crowd, due to so many other events being held at the same time. However, those who attended agreed that the Orioles were better than ever. At the afternoon concert, Santa arrived to distribute treats to all the children present.

The Orioles also entertained the residents of the Youville Home during the Christmas season. While the Orioles took a breather, Alf Brunner's accordion students entertained with several numbers. The whole program was much enjoyed.

The Orioles will resume practices next Sunday, January 13th.

From Our Readers

Dear Editor,

Of all the nice and pleasant things that happen to my wife and I this Christmas, by far the nicest and surprising happened Sunday night, 23 December. We were sitting quietly in our living room with just the Christmas tree lights on, when about 8 young ladies came carolling. Not knowing who they are, we wish to use your paper to say to them "Thank you".

ST. ALBERT UNITED CHURCH

CHRISTMAS EVENTS

The St. Albert United Church was the setting for many Christmas events in the past few weeks. Foremost was the inspiring Christmas music provided by the choir, under the direction of Mrs. P. Upright, during the regular Sunday services and Christmas Eve. Soloists at these times were Mrs. J. Dobbie, Mrs. L. Schultz and Mrs. Steffenson.

The morning service on December 16 was White Gift Sunday. The response was very generous, and large hampers were sent to Beulah Home, Bissell Institute and a local family.

That evening the C.G.I.T. presented their annual vesper service, under the direction of Mrs. N. Kelly and Mrs. B. Mockford. The girls conducted the entire service themselves and did a very creditable job indeed.

On Christmas Eve there was a special combined service with the Baptist Church, at which time there was more Christmas music, carol singing, followed by communion. The Reverends Joly and Schwarz shared the pulpit for this service. The Sunday School Concert on December 23 was a great success. Much credit is due to Mrs. Hole, Mr. Mockford and all the others who did so much.

APPEAL

Within the next few weeks, there will be an appeal against the judgement of Mr. Justice J. F. H. Milvain regarding the dress regulations of the St. Albert Protestant Separate School Board. We hope to give you full information regarding this case at a later date.

NEW YEARS

BABY

On January 1st, 1963, George and Ruth Kochendorfer of 3 Grosvenor Blvd., became the proud parents of a baby girl. It is believed that Darla Jill was the third baby born in the Royal Alexandra Hospital in 1963. This would make her the first for St. Albert for '63.

STURGEON HEALTH UNIT

All regular well baby and immunization clinics held by the Sturgeon Health Unit will be cancelled during the two weeks starting January 21st due to the giving of Sabin oral poliomyelitis vaccine during this time.
